FYI...

We still have the original "Italian Style Brick Oven Pizza"
 Your pizza is cooked in our clean ovens on BRICKSTONE, not like other Pizza Restaurants where your pizza is cooked in an oven running on a conveyor belt, making your pizza soft and chewy. Therefore, it doesn't have the crunch that pizza should have, like ours. Our Pizza may take 4 to 5 minutes longer, but we still keep with the tradition, and we know it's worth the wait.
